

TB P.78 A6 a+b

a)

She spends many years performing with bands. When she got her first child she continues touring with her band but she wasn't happy. One day she spends a summer to learn repair violin bows.

Her business allows to make musicians of all ages. That how she turned a talent to a profession.

b)

She means that she cannot be without her hands she enjoys using her hands and she loves to fixing things and giving them a new live.
