

TB p. 81 A11

b) If Emma chose graphing design, she would be happier.

If Emma's brother didn't help her she would fail in math.

If I was Emma, I would choose graphic design as an elective.

If Emma worked harder at school she would get better results.

If Emma's mother had more money, she would send Emma to art school.

If Emma took a different elective, she would get better results.
