

## **Simon the sailmaker A4**

He making sails for boats.

He is sitting down there. Then he have a Material. He cut the material in a triangle.

Simon is sailing and needs a new sail. He do it self.

He do that 18 Years.

When he see the big boats.

Much ideas, creative and chatting.

Sometimes it's dangerous if he climb the mast.

Designing, enjoy and nice.

A6

It's mean that her hands are her tools.

Ihre Hände waren ihr größtes Werkzeug.

A7

I can see much peoples. The people's move.
