Who is Keith Haring?

Keith Haring is a famous artist. He started drawing when he was a child. At the year of 18 he started studying in Pennsylvania. He didn't stay there long and then moved to New York. One day he was driving on the subway when he saw black panel on the wall. He brought some white chalk and started drawing on the panels. The people didn't mess them up ore rub them away. He realised that the people liked them a lot. In 1986 Haring opened his pop shop with T-shirts, Baseball caps, posters and magnets showing his images. He died 1990 at the age of 31 of AIDS.
