1 . I think Keith Haring used chalk for his pictures because it looks very good on black and because he could draw very good with chalk.

2 . I think he worked with children because he liked to teach children to draw and maybe because he maybe wanted someone to do his job when he died.

3 . I think people did not mess up Haring ' s pictures because they liked the idea and his drawings.

4 . I think people still like Haring ' s drawings because they are very colourful, fun and modern.
