1. I think Keith Haring used chalk for his pictures because he could take them off and because ~~because~~ everyone can see them well on black.
  2. I think he worked with children because he liked to make things with children and because he liked children.
  3. I think people did not mess up Haring's pictures because they liked his pictures.
  4. I think people still like Haring's drawings because he was such a good drawer and because his drawings are very colorful.
