

Book p. 81 A11.

b) If Emma chose graphic design, she would be happier.
If Emma worked harder at school, she would get better results.

If Emma's mother had more money, she would send Emma to art school.

If Emma's brother didn't help her, she would fail in math.

If I was Emma, I would choose dancing as an elective.

If Emma took a different elective, she would be unhappy.
