

Language detective

a) If my brother didn't help me, I'm sure I would fail completely in math.

If I was ~~older~~, I would ~~not~~ take that course.

Mom says if she had the money, she would send me to art school in the summer.

The "If ~~same~~ sentence" is in simple past.

b) If Emma chose graphic design, she would be happier.

If Emma's mother had more money, she would send Emma to art school.

If Emma's brother didn't help her, she would fail in math.

If I was Emma, I would choose ethics and science as an elective.

If Emma ~~chose~~ took a different

theative she would choose graphic
designing as an theative.

+

If Emma worked harder at school,
she would get better results.
