

10. The musician play a musical instrument

11. The landscape gardener design gardens

b.) what do the people say about their jobs
listen and take notes

A1

b.1

1. Flight attendant: He like travelling and he also ^{like} helping people. And she find it exciting to wake up in a different city at most every day.

2. Secretary: Her job is sometimes stressful because she feels like she's doing ten things all at once but sometimes she gets so many things done if she don't get distracted it's very rewarding.

3. Doctor's assistant: well i quite like doing some of the office work like and switch the phone writing & bill's things like that. She love working with other persons some of their stories are better than trailer on TV.

4. Plumber: His grandfather was a plumber. His father was a plumber and now he want too. With the family business. A customer's known that they can trust us.

Physiotherapist

5. Lifeguard: It's so rewarding to see ~~my~~ patients span able to move about again have their treatment was there any pain. Saying he feel so much better. Thank you.

6. Lifeguard: I have to keep fit and sometimes she even get paid for sunbathing and the best thing at her job.

7. Software developer: He can't imagine live with out computers. So he exciting to make a living out working with them even if he not working. He can help in about programming

8. engineer: I'm a most person. If she looked the building she instilling see there's numbers before she eyes like how high or how heavy it is. How this numbers relate to each others. Diese a roll thinks you need to consider when you construct. Something there's nothing quite like standing next to a massive constructing and thinking. I have to build this.

9. social worker: Some people have so many problems. Often just at now what to do. If I can help them to cope with some of there's problems. I know I'm doing the right job.

10. musician: I've been playing the piano. Since I was five. And I love classical music. so in or this was the perfect job for me. I love working with the singers and rehearsing until the song sounds just perfect but the best part for me is actually performing in front of audience.

11. landscape gardener: I wouldn't want to sit in front of the computer all day. I like working outside and doing things with my hands when you standing front of a beautiful garden arrangement. Everything it so welcome post. Flower
It make me so happy.
