

Englisch

p. 78 A 6

a) Amanda played in a band and when she got her first child she continued touring but she realized that she missed her home.

She found a program for bow repairing and spend a summer to learn it.

Now she is her teachers assistant.

She enjoys fixing things and giving them new life. In her city there is a need for her job.

b) Amanda means that she needed her hands to play the violin and that now she needs it to repair bows.
