

TB p. 87 B3 Nick and Caroline 's work experience

c) Don 't do your work experience in a supermarket (shops), because you have to do the bad jobs that no Body want to do. When you make your work experience in a Kindergarden you play with childs but you also clean the rooms. When you make your work experience in a residential home for the elderly as a occupational therapy. You do talk and help the inhabitants. Sometimes you go out with them oh you pained a railroad engine. But it is a very hard job. When you make your work experience as a computer develop. You site the whole day one computer and do something bored.
