

TB p.87 B3

c) Don't make your work placement in a grocery store. Because you must do the boring work. A work placement in a residential home for the elderly is a very stressful job you have always work and you must be worry fit.  
Don't make sour work placement in a car repair shop you have not to do and you just have to sit around.  
When you make your work placement in a kind garden you Platz with children and also clean the rooms.
