

P11

Elisa tell her aunt something about her internship.

She said that she workes at a medical practice.

She said that ~~she had a lot~~ it makes a lot of fun to works there, its hard but very intresting.

She said that she ideate to make her apprenticeship ~~at~~ a medical practice.

She said that she likes to work wit people and help them.

She said tha she wants to make a longer intership at a medical practice at the summer, and she ask if her aunt now about some dentist were she can make her intership.
