

**B4 Two great weeks**

The people at the printing shop thought that Caroline worked well. Write down what they told her.

You learn fast.

We will help you.

We do many different things in our shop.

We print lots of posters and flyers.

You have to wear a mask when you change the cartridges.

You are very friendly to the customers.

You can work here again if you like.

The people at the printing shop told Caroline that she learned fast.

They said that they do many different things in our shop.

They told her that she had to wear a mask when she changes the cartridges.

They told her that she is very friendly to the customers.

They said that they would help Caroline.

They said that they are printing lots of posters and flyers. They told her she could work there again if she liked.

**B5 At a car repair shop**

Caroline's friend Vicky did her work experience at a car repair shop. One day she called Caroline during lunch break. Write down what Vicky told her.

1. "Being a car mechanic is my dream job."

Vicky told Caroline that being a car mechanic is her dream job.

2. "This repair shop is a great place for work experience."

She said that this repair shop is a great place for work experience.

3. "The people here are so helpful."

She told her that the people there are so helpful.

4. "Tomorrow I'll change the oil and water in some cars."

She told her that tomorrow she is changing the oil and water.

5. "I hope I can also do some repairs." in some cars.

She said that she is hoping she could also do some repairs.

Write down what else Vicky said on the phone. Use direct speech.

1. Vicky also told Caroline that she learned lots of technical details every day.

Vicky: "I also told Caroline that I learned lots of technical details every day."

2. She said that there was another girl doing work experience there.

Vicky: "I said that there was another girl doing work experience there."

3. She added that she would apply for an apprenticeship in a car repair shop after school.

Vicky: "I added that I would apply for an apprenticeship in a car repair shop after school."

**B6 Sebastian's work experience**

Back at school, Nick talks to his friend Sebastian, who tells him about his work experience in a garden centre. Listen and tick the jobs that Sebastian had to do. New word: greenhouse - Gewächshaus

At the garden centre Sebastian had to ...

- learn the names of hundreds of plants.
- look after some of the plants.
- count products.
- design flyers on a computer.
- write product lists on a computer.
- sell things to customers.
- make phone calls with customers.
- clean the greenhouses.
- plant lots of flowers in pots.
- move heavy flower pots.

Why did Sebastian like his work experience? Listen again and note down at least two reasons.

1. He didn't miss baseball training.

2. He liked to look after some of the plants.

**B7 Word families**

Fill in the missing words.
