

Class lesson 3

1a)

- Lösung
- 1 *Lots of the over 200 people at the party were gatecrashers = hadn't been invited. The owner of the house was not there and his 15-year-old daughter didn't know the gatecrashers and couldn't control the situation.*
 - 2 *Leah (had) sent out the invitation to her birthday party on social media.*
 - 3 *Mr Smith went out; he left his mobile at home.*
 - 4 *Neighbours (phoned the police).*

► DFF 4.7

1b)

- Lösungsbeispiel
- I wouldn't have used social media (for the invitations).*
 - I would have sent the invitations by email. / I would have phoned my friends or written a message to my friends to invite them (personally) to my party.*
 - I would have asked my dad to take his phone.*
 - I wouldn't have let my dad leave.*
 - I would have called the police.*

1c)

- Lösungsbeispiel
- I would have helped Leah organize the party.*
 - I wouldn't have left Leah alone in the house. / I would have stayed at home.*
 - I would have checked that I had my phone.*
 - I would have phoned Leah to check if everything was OK.*
