

Childrencenter Ghana

In the Children-center in Ghana you can do a volunteer work. The children in the center are all between one and four years old. So they need your care. The parents will bring them to you and your task is than to play with them and take care of them. The work would be from the morning until afternoon. The children need in the period of time enough to eat and need a sleep during the noon. Some children need to take a shower because their parents can't give them a shower. Furthermore it is your task to wash the dishes and hold the center clean.

The requests are that it would be good when you would have experiences and you must have good English skills because they just can communicate in English. The accommodation would be by a host family.

When someone would be interesting, he or she have to be 18 years old or older and could than apply on their website. Everybody who is interesting must prepare theirselves that they haven't wifi or mobileconnections in the Childrencenter.
