

B2 LOTS OF NUMBERS
a) Listen to the CD and **circle** the correct numbers.

16	60
----	----

57	75
----	----

80	18
----	----

92	29
----	----

12	21
----	----

42	24
----	----

13	30
----	----

28	82
----	----

17	70
----	----

36	63
----	----

b) Write these numbers in words. Start with the lowest number.

~~98~~~~63~~

87

22

12

100

~~44~~

28

8

35

~~51~~~~14~~

eight

twelve

thirty-five

sixty-three

ninety-eight

fourteen

forty-four

seventy-six

one hundred

twenty-two

fifty-one

eighty-seven

c) Listen to the sums and write them down.

$$26 + 42 = 68$$

$$4 \times 12 = 48$$

$$91 - 55 = 36$$

$$81 \div 9 = 9$$

B3 Prices

a) Listen to the CD. How much are the things? Write down the prices.
