b) Lewis writes about his holiday. Put the verbs in the right places.

arrived • been • done • gone • had • had • played • remembered • sent • travelled

If we had travelled by plane, we would have arrived there sooner. If I had remembered your address, I would have sent you a post card. If we had had more money, we would have gone on a boat trip. If the weather had been sunny, we would have played football on the beach. If we had had more time, we would have done more things.
