

A7 The girls' team

a) Listen to Gillian and Susan on the phone. Number the speech bubbles in the right order.

4 On Saturday there is a friendly match for girls at Hendon School. Can you come?

7 Well, yes ... I think so.

8 Susan, that's great. And can you play, too?

5 On Saturday? At what time?

10 Yes, we've only got ten girls in our team. We need one more player.

9 Play?

3 Oh hi, Gillian. What's up?

6 At twelve o'clock.

2 Hi, Susan. It's Gillian.

11 Gillian! You know I hate football.

1 Hello?

b) Does Susan want to play in the end? What do you think? Listen to the end of the dialogue and find out. *Yes, Susan will play.*

Practise the dialogue with a partner. Then act it out.
