# Cities and the Outback

Australia can be roughly divided into 2 areas:

- The big cities like Sydney, Brisbane, Melbourne and Perth.
- The “Bush” and the Outback

# The Outback

The Outback is inhabited very sparsely.

There are long distances between the small cities so teenagers have less people the same age as them around them.

# School System

The school system is similar to ours.

They have a primary, secondary and senior secondary school that can be compared to “Grundschule, Mittelstufe und Oberstufe”

There is one big difference however:

Most students in the outback actually attend class through a computer because the next school is many hours away.

# Sport

The 3 most popular sports in Australia are:

1. Swimming
2. Cycling
3. Soccer

# Food

Common Australien Foods include:

Witchetty Grub

Vegemite
