

My week

On Mondays and Thursdays I have football training from 5:30 pm to 7:00 pm. On Tuesdays I meet friends or I do things in my room. On Wednesdays I have good school day because I have sport and swimming. On Fridays I am looking forward to the weekend. On Saturdays I sleep long times and I tidy my room. On Sundays I have a great breakfast. Then we drive to the football match. That's my week.
