

Workbook page 88 A4

1. The life in Ireland during the potato famine was very hard. They had not enough food to feed the whole family. They lived in small houses with lots of people.
2. Victims of **starvation are** often too weak **to** sense thirst, and therefore become dehydrated. All movements become painful due **to** muscle atrophy and dry, cracked skin that is caused by severe dehydration. With a weakened body, diseases **are** commonplace.
