

p. 79 no. 3a For & against tattoos

"Tattoos - are they a good idea or not?"

a)

pros:	cons:
<ul style="list-style-type: none"> - body jewelry - attitude (to life) - lifestyle 	<ul style="list-style-type: none"> - it's expensive - some people don't like them maybe it's not good if you're searching for a job
- sign for lifetime	- sign for lifetime

paragraph 1.

Tattoos - are they a good idea or not? That's a very difficult question because there are some really good for and also against arguments.

paragraph 2:

Firstly a tattoo might not be a good idea if you are searching for a job because many people ^{in business} doesn't like tattoos. Secondly a tattoo is very very expensive and thirdly maybe you'll not like what you'd get tattooed a few years later.

paragraph 3:

On the other hand a tattoo can be a attitude for life. It's a body jewelry as well and it shows a lifestyle.

paragraph 4:

In my opinion tattoos are a good and a bad idea as well because I mean it's sign for lifetime. On the one hand you never have to draw a tattoo on your body with hand or something if you
