

TB p.98 A4

a) In the December 1891 Annie Moore and her younger brothers Philip and Anthony goes to from Ireland to New York. Her parents and her older brother had gone to America two years earlier. Annie More and her younger brothers drive with the ships 12 days. The food was bad and many people got sick. On the January 1st 1802 they reached New York. Annie was the first immigrant to enter Ellis Island after the reopening, so she got ten dollars as a gift. She have never seen so much money. Today stay a statue of Annie on the Ellis Island and in Cobh, Ireland.

b)

c)

Where are you from?

I came from Ireland.

How long do you drive?

We was on the ship for 12 days.

How many people steal on the ship?

I don't know, a lot off.

With whom did you come?

I come with my younger brothers.

Why did you come?

I come because in Ireland is a potato famine and because my parents be here.
