A3 Life at Plymouth High School

a) **Read the email.** Lies die E-Mail.

Hello from Wisconsin

Hi guys,
 How are you? After six months in London I'm back in my old grade with all my friends at Plymouth High. I've got my new schedule which is different from your timetable in London. Every day I have the same subjects: English first period, computer science second period, math third and fourth period, social studies fifth period, then lunch, Spanish sixth period and study hall (homework) seventh period.

I liked the school days in London better. But I do not miss the school uniform! When I showed my friends a picture of me in my uniform, they laughed themselves silly. I am in the football team of my school. We are called the Panthers. Miss you all!

Bill

b) **Unscramble the questions and write them down. Then answer them. Look at the email for help.** Ordne die Fragen und schreib sie auf. Beantworte sie dann. Sieh dir die E-Mail an, wenn du Hilfe brauchst.
