The American Civil War

The American Civil War was one of the most brutal civil wars in the history. It all started with slaves from Africa who was kept in the south of the USA. The north of the USA was against slavery, the situation was stuck. It escalated with the election of Abraham Lincoln as president. On February 4, 1861, a group of southern states left the United States and founded the Confederate States. In the next month more and more states left the USA and joined the Confederate States. The president Abraham Lincoln did not want to accept that, it came to war. After 1601 days and 620.000 deaths, the war ended on June 23, 1865, the northern states won. Slavery was abolished and the United States was united again.
