- 2) I learned that one person in every 25 New Yorkers walking down their, is a millionaire. On the other hand one in every 5 New Yorkers walking the same down live below the national poverty line.
- 3) Erik Conover recommend to young people moving to New York that they should live outside of Manhattan. Furthermore the should know about New York. For example that the average rent for a one-bedroom in Manhattan is 3,800 \$ per month.
- 4) I wouldn't like to live in New York because it isn't mine. But when I must decide I would say Brooklyn.
