

- 1) Shelby says about living in LA that you can find a flat, a good place if you're sharing it for 2,000 \$ a month. If you can spend 1,500 \$ a month you can get a good place in LA. In her opinion every borough have pros but cons too. She recommends to live near your friends. For her is LA diverse.
- 2) I would rather live in LA because one part of my family is living in the near of LA. Furthermore LA is more mine from the attractions and the atmosphere of the people.
