a) Read the first paragraph. Which of the photos in A8 fit the situation?

I think photo 2 and 4 fits the situation in A8.

b) Read the rest of the story. How do Rose and the others feel?

I think Rose and the others were very frightened and scared about their life.

c) What do you think will happen next? Take notes.

I think Rose and the others split up quietly and slowly so that not everyone was on one place. Then they hide again. When they couldn't hear voices, everyone came out of their hiding places and they walked slowly and very carefully behind each other.

d) Listen to the end of the story. Does Rosa make it across the border? Was it the ending you expected?

Yes Rosa makes it across the border. It was not quite the same what I wrote but a little bit was the same.
